

2018 BEST OF FREMONT

READERS' CHOICE AWARDS

2018 BEST OF FREMONT

The Tenth Annual Best of Fremont that comprises this special 32-page section represents readers' favorites for the city's restaurants, shops, schools, business people — you name it.

The Best of Fremont 2018 is a special project of the Argus newspaper. This survey is not scientific and does not claim to be. But it does reflect opinions of those Fremont residents who feel strongly about a business, place or person, and all votes that were legitimately fielded

were objectively analyzed and counted. All ballots mailed in or logged online in March that maintained the rules were exhaustively reviewed. Suspected ballot stuffers were eliminated. Sometimes regional or specialty businesses in Newark or Union City were nominated and in cases where they had a significant amount of votes they were included.

When the Best of Fremont Winner was closely followed by others, the honorable mentions were recognized with an Honor Award.

This 130-plus category list provides recognition for businesses that try harder to satisfy their customers. It is also a good guide for newcomers to get acquainted with merchants recommended by their neighbors. Starting next week, it can be found all year at bestfremont.com. Thanks to all of the readers and advertisers who participated in the 2018 Best of Fremont Readers' Choice Awards. Congratulations to all of those people and places nominated!
